
Crushing Jackhammer

Posted by DeBruut - 2007/07/10 20:24

Crushing Jackhammer is all about killing all the posers in the world and only thrashing ,having fun ,kicking ,screaming and yelling. Without these four things Crushing Jackhammer wouldn't be alive. With all our brothers in this world we gonna kick ass ,punch faces and thrashing around in the pit!!!! THRASH!!!!!!
